

## Get it now: Your Hirschmann Security Package 2009

2 day hands-on workshop + 1 EAGLE 20 • Only a few places left!

This year's hot topic is network security. Take this opportunity to expand your knowledge with the Hirschmann Security Package 2009. And get the **next generation Industrial Firewall** free of charge!

In our practical workshop on the **30<sup>th</sup> – 31<sup>st</sup> March** you will learn all you need to know about secure network operation with Hirschmann's new **EAGLE 20** – and at the end of the course you take your own EAGLE and accessories home with you.

**INCLUSIVE!**

### The EAGLE 20 makes your network even more secure:

- with the latest VPN and security technologies (e.g. IPSec v2, IKE v2, VPN Tunnel in Tunnel)
- with VxWorks, the leading real-time operating system
- with a reduced learning curve thanks to the familiar menu structure and wizard for VPN connections
